FROM THE CART

THE VELVET CUT

70

A luxuriously handsome cocktail where Starward Solera Single Malt Whisky is washed with A5 Wagyu fat and infused with native wattleseed.

A stir of house bitters & muscovado reduction is then swirled in before being crowned with a tableside Sher Wagyu Steak Tartare canape for an unforgettably rich, velvety, umami finish.

WINERY SPOTLIGHT

OLD WORLD WINEMAKER

Jacques & Sylvie Guinaudeau

Jacques & Sylvie Guinaudeau are unparalleled winemakers, continuing the family tradition of creating top quality wines in the Pomerol sub-region.

The thing is, Château Lafleur is unapologetically family-owned and operates in a unique way. Everyone who works here, in essence runs the place. There is no hierarchy, yet a coming together of passionate hardworking hands that all come together and inject their individual expertise into the process of winemaking across all levels and aspects. I believe this organic structure of running a winery brings about an air of not just the prestige, but also honing the skill of winemaking as an art form.

The site is small with 4.5 hectare plot of vines that has different combinations of clay, gravel and sand all bringing something unique to each wine. There is a small parcel near Petrus and Gazin which always goes into the second wine - La Pensées.

Vineyards are planted with equal parts of Bouchet and Merlot which undoubtedly plays a major role in the complexity of Château Lafleur wines. The genetic heritage of the vineyard at Lafleur is priceless, including the old vine Bouchet.

The highlight for me is the vintage 2014 Les Pensées, a vintage which brought a lot of red fruit and chewy tannins to the table. In the right winemaker hands though, such a vintage can be remarkable. The intertwining of red fruits and spice layered with that classic Bordeaux liquorice and black truffle character make this medium bodied red extremely delightful as it effortlessly glides along the palate on the confident tannin. Perhaps this is a gift of the hydrated clay-rich soils the grapes are grown on. Simply Brilliant!

WINERY SPOTLIGHT EMERGING WINEMAKER

Igor Kucic

WINES

James Halliday Finalist – 2025 Best New Winery

In the pursuit of balance and texture, we would like to introduce Igor Kucic, owner and winemaker of boutique wine house Iggy Wines.

I was personally floored by how refined, elegant yet deep and complex Igor's wines were. There is a sense of intuition involved with his winemaking: choice of partial whole-bunch, specific selection from precious parcels of vineyard across South Australia and tight knitted relationships with the local grape growers of the area. I find Igor's approach to winemaking flexible, and he does it with purpose.

Born in Slovenia, Igor has 23 vintages under his belt. From the renowned Domaine Jean-Louis Chave in Rhone Valley, to Villa Maria in New Zealand and Powell & Son of Barossa, making gorgeous enjoy-worthy wines appear to run in his blood. Helping his grandfather 'Deda' in the vineyards since early childhood was the seed that planted his wine making evolution.

The highlight for me was his Rebula (aka. Ribolla Gialla) – so generous with complexity, with a hint of umami whilst maintaining at fine balancing act between refreshing-ness and toasty-ness. The grapes for this wine is grown on a small parcel in Adelaide Hills, only starting to produce grapes in 2023. It is a homage to Igor's homeland where the grape is referred to as 'Queen of Vineyards'. The other highlight for me was the H&C (Hearnden & Ciccocioppo – the two grape growers) Eden Valley Shiraz. It was the extremely round, floral, juicy and cassis-laden aromatic that had me speechless. It is so inviting and moreish.

We are featuring all 3 of Igor's Shiraz; however they are distinctively different and unique which sets them apart from each other. I found this quite fascinating, so much depth of character coming from one winery!

CABERNET SAUVIGNON & BLENDS

WINE OF THE WORLD

The creation of these limited release cabernet merlot blends began as a quest to create something real, different, and aspiringly lofty, together with Penfold's trusted partner Dourthe Bordeaux.

MV Penfolds x Dourthe II *Bordeaux & South Australia* 1500

2020 merlot from the soils of Bordeaux blended with 2021 cabernet sauvignon from distant vineyards in South Australia. Medium-bodied, savoury and complex.

2022 Penfolds x Dourthe II *Bordeaux & South Australia* 1200

The French component of this wine was made at two of the Dourthe-owned wineries. Australian components of this wine were made at Penfolds Nuriootpa Winery (South Australia).

NEBBIOLO – BAROLO to the West

Tortonian soils are located mostly west of Barolo and a little of the northeast. The wines produced in this area are likely to be more perfumed, elegant, fruitier and softer—maturing relatively more rapidly in the bottle.

NEBBIOLO – BAROLO to the East

Helvetian soils dominate in the area to the east on the rising hills of Monforte and Castiglione Falletto and Serralunga. It is made up of many different types of sandstone, has a chalky beige color, and is rich in iron producing stronger wines with more colour, body, and tannins.

Artisinal cider made from a blend of cider apples from Normandy with acidic dominance (Avrolle, Petit Jaune, Pomme de Bouet, Rouget de Dol, Rambeau...)

A classy act with a tangy attack softened by its soft character, offering a generous freshness in the mouth. It is a thirst-quenching cider that can accompany an aperitif. Bottled is done in a traditional way, without pasteurization or carbonation.
